

We are Seletar HHH!!

We are Seletar H3
That's Kwailoh, Chinese, Bhayee
Around Singapore we do run
Drinking all night, pissing that's right
Well we feel so pissed up, we want to go home

So call up the SCBs
Most of them Chinese
Put them on the ice
Make them down down
I want to go home, Yeh Yeh
Well we feel so pissed up we want to go home

The GM he get drunk
Every week he's pissed as a skunk
The Bhayee have to come and take him away
A taxi home
Why don't you leave him along, Yeh Yeh
When he gets pissed up he want to go home

So call up the SCBs
Most of them Bhayees
Put them on the ice
Make them down down
I want to go home, Yeh Yeh
Well we feel so pissed up we want to go home

The whip he has the stick
The man who wields the big prick
Every week he shouts and tries to blow us away
Let him go home
Why don't you leave us alone
That is the best hash I've ever been on

(... fade ...)
So call up the SCBs
Most of them Bhayees
Put them on the ice
Make them down down
I want to go home, Yeh Yeh
Well we feel so pissed up, I want to go home
