

Pray Silence for the Grand Master

On behalf of Seletar Hash House Harriers (SHHH), I extend a warm welcome to all Hashers to another milestone in our history of hashing – the 25th Anniversary Celebrations which yet again gives us another opportunity to rekindle old acquaintances and to foster new friendship in the spirit of HASH.

It is worth noting that the venue of Echo Valley off Dairy Farm Road is a historic site. One of the founder members of the “Mother Hash” A.S Gispert was killed in Dairy Farm Road on 11th February 1942 during the invasion of Singapore. In choosing Echo Valley as the run site the memory of A.S Gispert lives on and the spirit of Hashing is kept alive.

another contributed both in cash and in kind towards this event.

I extend my sincere thanks to all the sponsors and all the advertisers for their generous support.

Lastly, it is my wish that all of you will have an enjoyable evening and bring back home fond memories while we at SHHH look forward to another 25 years of Hashing as

depicted by our theme – “SILVER GOING FOR GOLD”.
