

And thus spoke the Chief!

The idea of organizing Seletar's Silver Run was first mooted at the 25th Annual General Meeting and there was a general consensus that we

should mark the occasion with a Big Bash. My proposal, that a Big Bash to be organized within 4 ½ months should fall into the capable hands of all the previous grandmasters, finally landed me with the unenviable but enriching task of being the Chief Slave for the occasion.

I thank the committee for tolerating the arse kicking from some quarters and nagging from others and rising to the occasion and seeing this Big Bash through. I also thank the sub-committee members for their time, effort and support. Last but not least I thank the Seletar Boys for their generous donations, without which this Big Bash would not have been possible.

We look forward to the future

grandmasters getting together in another 25 years and organizing a Bigger Bash to commemorate Seletar's Golden Run.

Now you just unwind and Enjoy!!!!
