

On Home!

The Seletar Silver and the Royal Flush Mismanagement would like to acknowledge the support from the members of the Seletar Hash House Harriers, fellow Hash chapters in Singapore and those who came from all around the world to celebrate with us.

We want to register a special note of thanks to the Singapore Sports Council and Singapore Pools Pte. Ltd. for their generous sponsorship. In addition, we would like to acknowledge the advertisers and sponsors and a very special thanks to Kelvin Tan Kwee Hong for creating the logo and t-shirt design and not forgetting Lian Soon Construction Pte Ltd for the head lights to light up the run site.

We would also want to acknowledge the support of the National Environment Agency, the Singapore Land Authority and National Parks for the use of Echo Valley.

Lastly, with a heavy heart, we bid adieu to all who came to make

this celebration a meaningful and fun event.

So, until we meet again (at the next check), On On!
