Hello there,

Hashers, Harriers and members of the running & the guzzling fraternity, a very warm SHHH welcome to our Space Odyssey 2000th Run.

It was not long ago that we had our 35th Anniversary on the 20th June 2015 and I am very sure that most who attended, still have great moments treasured within their minds, even how pissed you all were then. Yes, that's always been the motto of SHHH - to ensure our brothers leave with moments to cherish.

As mentioned, the theme for this event is tied to the Space Beyond Planet Earth. Thus, we had proceeded to brand it as a Space Odyssey Run. We do hope that by the end of the day's events & the amber fluid, with everything that is thrown in, we will all be on Cloud 9.

In anticipation and to create a bigger and better event as time was on our side, the organising committee was formed a year in advance. Everyone in the committee has done a great job at sourcing and coordinating every aspect of the process towards making our Odyssey 2000th Run a great one.

My sincere appreciation to Straight Spout for taking the lead at coordinating all the fine details and addressing our regular meetings (including dinner packets). I would also like to thank Kretapi and Jack Off for their fine hospitality at hosting our numerous meetings at their residence. On the whole, a great effort is put by all our Committee members at ensuring our SHHH goal of giving all our visiting brothers and ladies a great weekend ahead.

Thank you to our SHHH members who, selflessly, without fail, will always come forward with their charitable approach to contributing either in service, in kind or giving support to ease our efforts at making the event, a great one to remember.

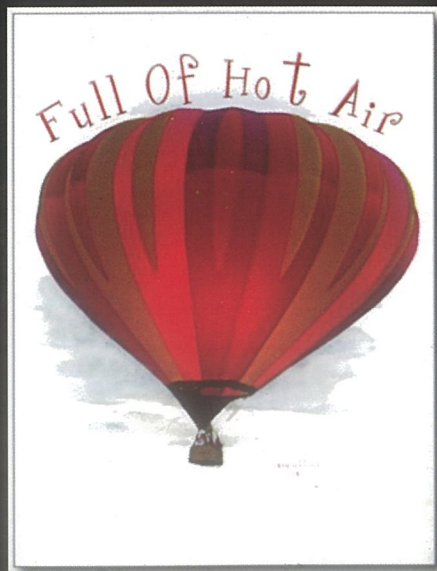

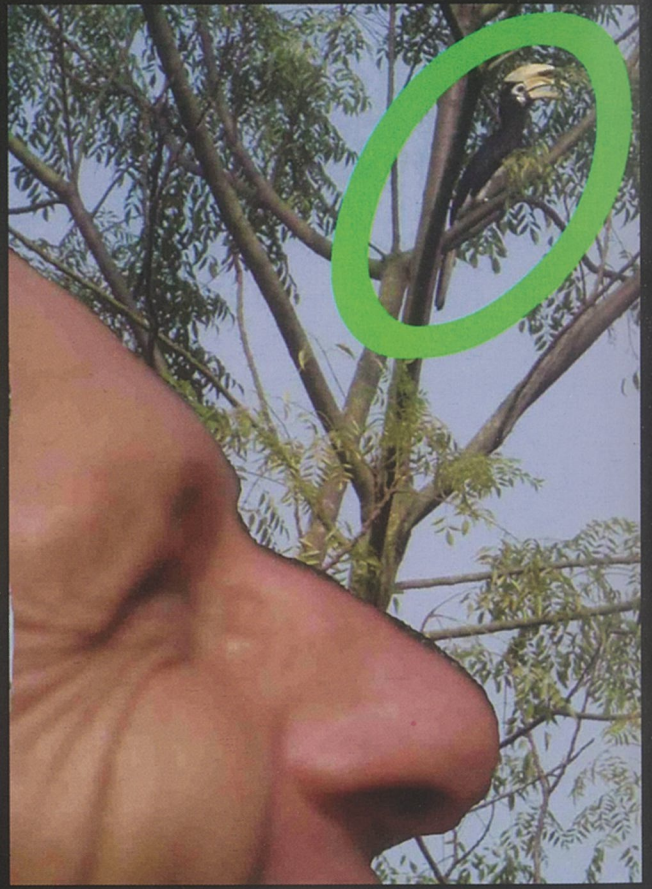

So, our Space Runners and Moonwalkers, I look forward to your presence and participation at our Seletar Space Odyssey 2000th run. Sincerely hope you all will have a wonderful Out of the World experience.

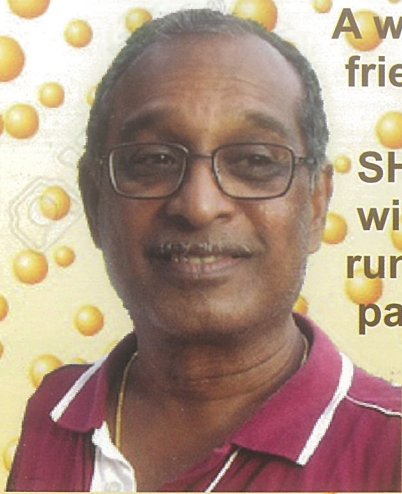

Your Captain signing off,

Nano Nano.

Seletar Wanker's
OFFICIAL AIRLINE

A warm welcome to all the wonderful Hash people and friends who are here to celebrate our 2,000th run with us.

SHHH was founded in June 1980 and we have carried on with the tradition of good hashing, enjoying our weekly runs & having a good time with fellow hashes for the past 36 years in good faith.

Thank you to all our hash brothers who have given their support to SHHH in all our past events.

We must thank the organising committee for all their effort in making this event a wonderful experience for all. We also would like to thank and appreciate the corporate supporters and our ardent members for the advertisements and beer donations.

We hope all of you will have a wonderful time with us over the weekend and we are looking forward to more hashing with all of you.

Enjoy and Cheers

It was only in 2015 that I was given the task of putting together a souvenir magazine for Seletar's 35th Anniversary.

It wasn't so difficult as I had lots of fresh ideas and managed to get many contributions from my fellow Seletar Hash members.

Having to repeat with another magazine, this time for our 2,000th run in 2017, is much more difficult as I've run out of fresh ideas and wish to avoid cannibalising my recent effort.

While our 35th Anniversary mag had many articles giving the history of Seletar and what it was like hashing in "all dem good ol' days", it did not have many photographs of "dem good ol' days". Hence, I thought it would be good to get members to contribute their old photographs for publication so that other members may reminisce our long forgotten runs and events.

It had been a long journey of 37 years to our 2,000th odyssey. So much have changed since 1980 that some changes are barely recognisable. It was fun, putting together 'Then & Now' photographs, which is the theme for this rag.

I hope you will have fun reading the magazine as well.

BLAST **FROM THE PAST**

HASHING IN THE EARLY DAYS

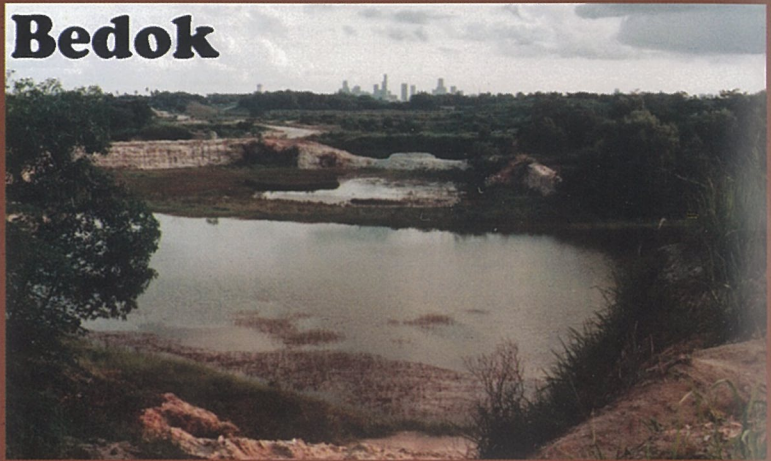

When hashing arrived in Singapore in 1962, there must have been lots of virgin jungles for pioneers to explore. When Seletar was born in 1980, there were still many interesting places to run.

Sadly, many of our happy hashing grounds, had to be sacrificed and made way for commercial & housing estates. In Singapore's noble aim of converting a Garden City to a City in a Garden, we greened up our island, beginning with the first Tree Planting Campaign in 1963 and continuing with enhancements in our nature reserves, including building an island-wide Park Connector Network. This however, placed restrictions on how and where we set runs, with many Dos & Don'ts imposed by our NParks.

Bukit Batok

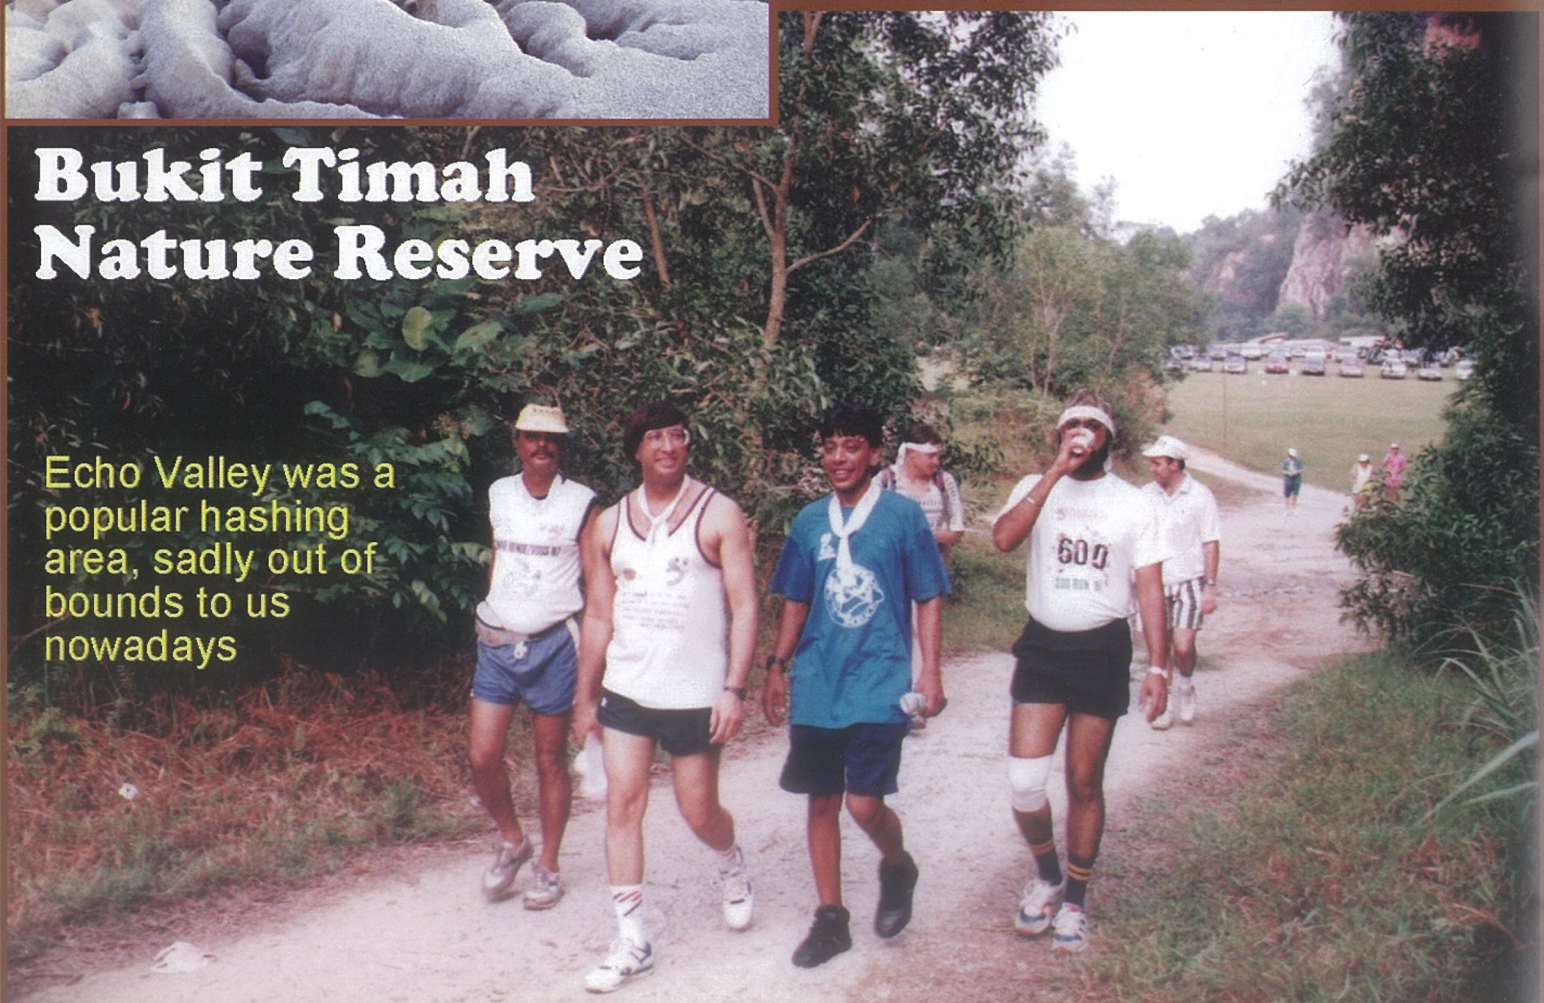

Bedok

Bukit Timah Nature Reserve

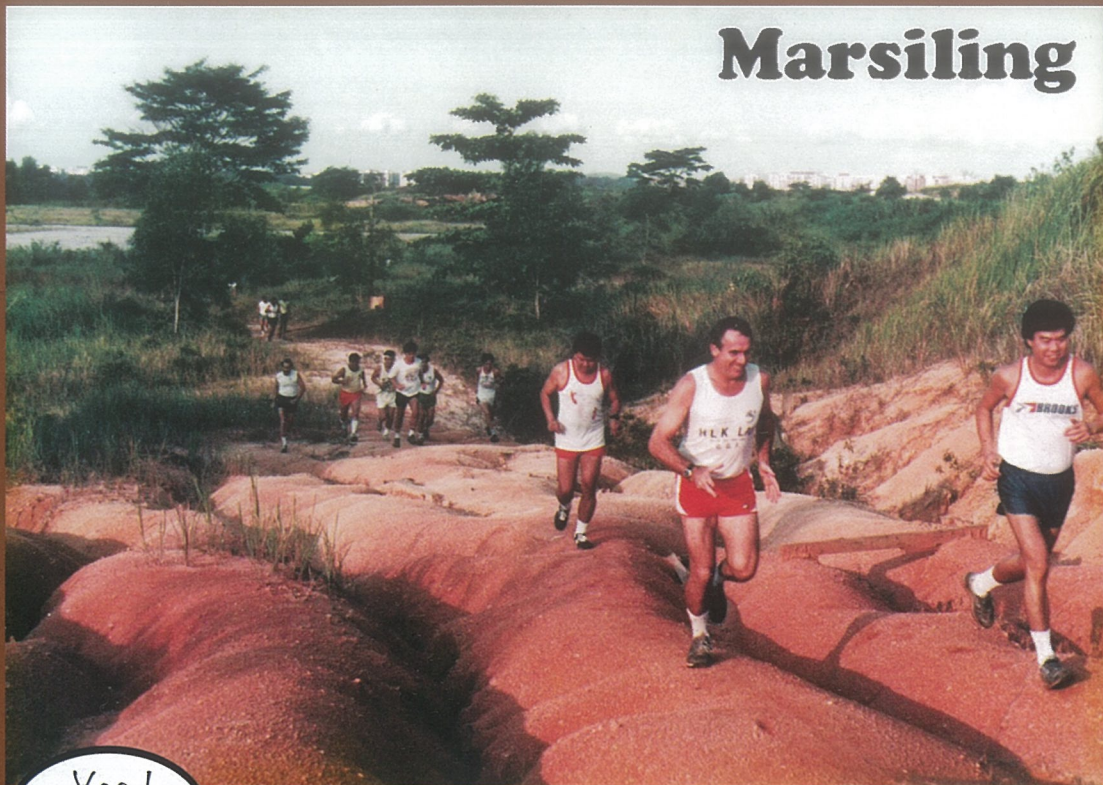

Echo Valley was a popular hashing area, sadly out of bounds to us nowadays

There were fruit & vegetable farms in Marsiling in the 70s and 80s, when our army trained in hills (now flattened), known only by their numbers like 130 or Hill 180.

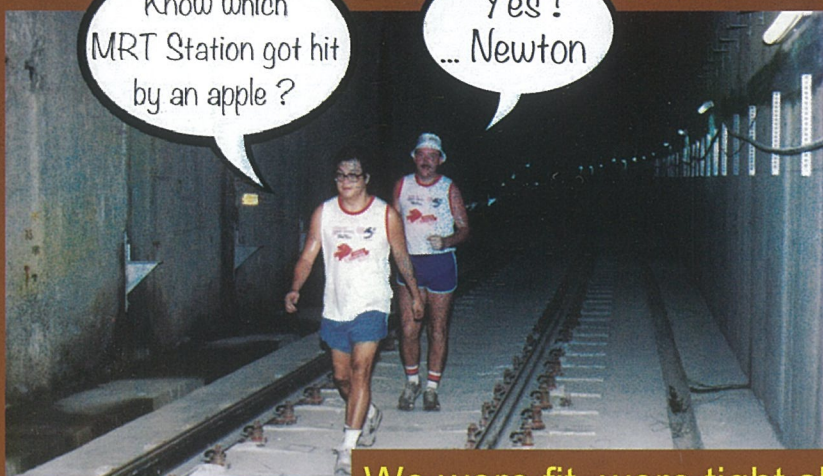

We still sneak in and hash in army training grounds these days, but I doubt if we can still access MRT 'toonels'.

Marsiling

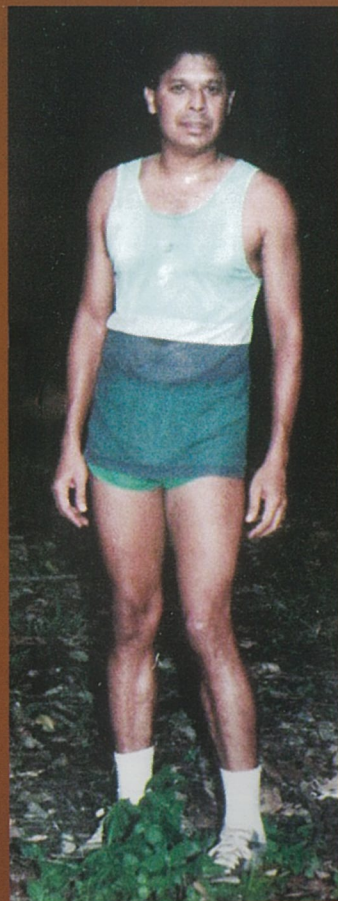

Know which MRT Station got hit by an apple?

Yes!

PAN ASIA in SINGAPORE

It was a significant achievement when SHHH introduced PAN-ASIA to the InterHash calendar.

We did so well in the inaugural event, that with the help of other local hash chapters, we brought PAN-ASIA back to Singapore in 1993.

Like in 1987, the 1993 PAN ASIA was held in ECHO VALLEY, a popular choice for Celebration Runs and our 1,000th run in 1998 would also be held here.

SELETAR got talent

On auspicious occasions like Celebration Runs, many Seletar members stepped forward to perform and entertain our guests.

Their sporting efforts are always appreciated as it's amusing to watch our fellow members act..

Some performances were outstanding they were memorable & professional. Proving conclusively that SELETAR GOT TALENT !

With elaborate makeup, identification is sometimes not easy. SELETAR's talents extend to music as well, as you will all see, when KING KONG performs for us.

On Seletar's 400th run, there was "THREE MEN & A BABY"
It became "THREE MEN & A LITTLE LADY" on our 555th run.
For this year's 2,000th run, SHHH proudly present to you :

Dinner & Dance

Once a year, the club throws a DINNER & DANCE so we may celebrate with our other halves. We always have themes like 'Roaring 40s', 'Lost in the 50s' & 'Swinging 60s', as an excuse to dress up and impress each other. With booze flowing freely, some

became truly unforgettable affairs ' Seletar Hash is on the piss again '.

Those were The Days

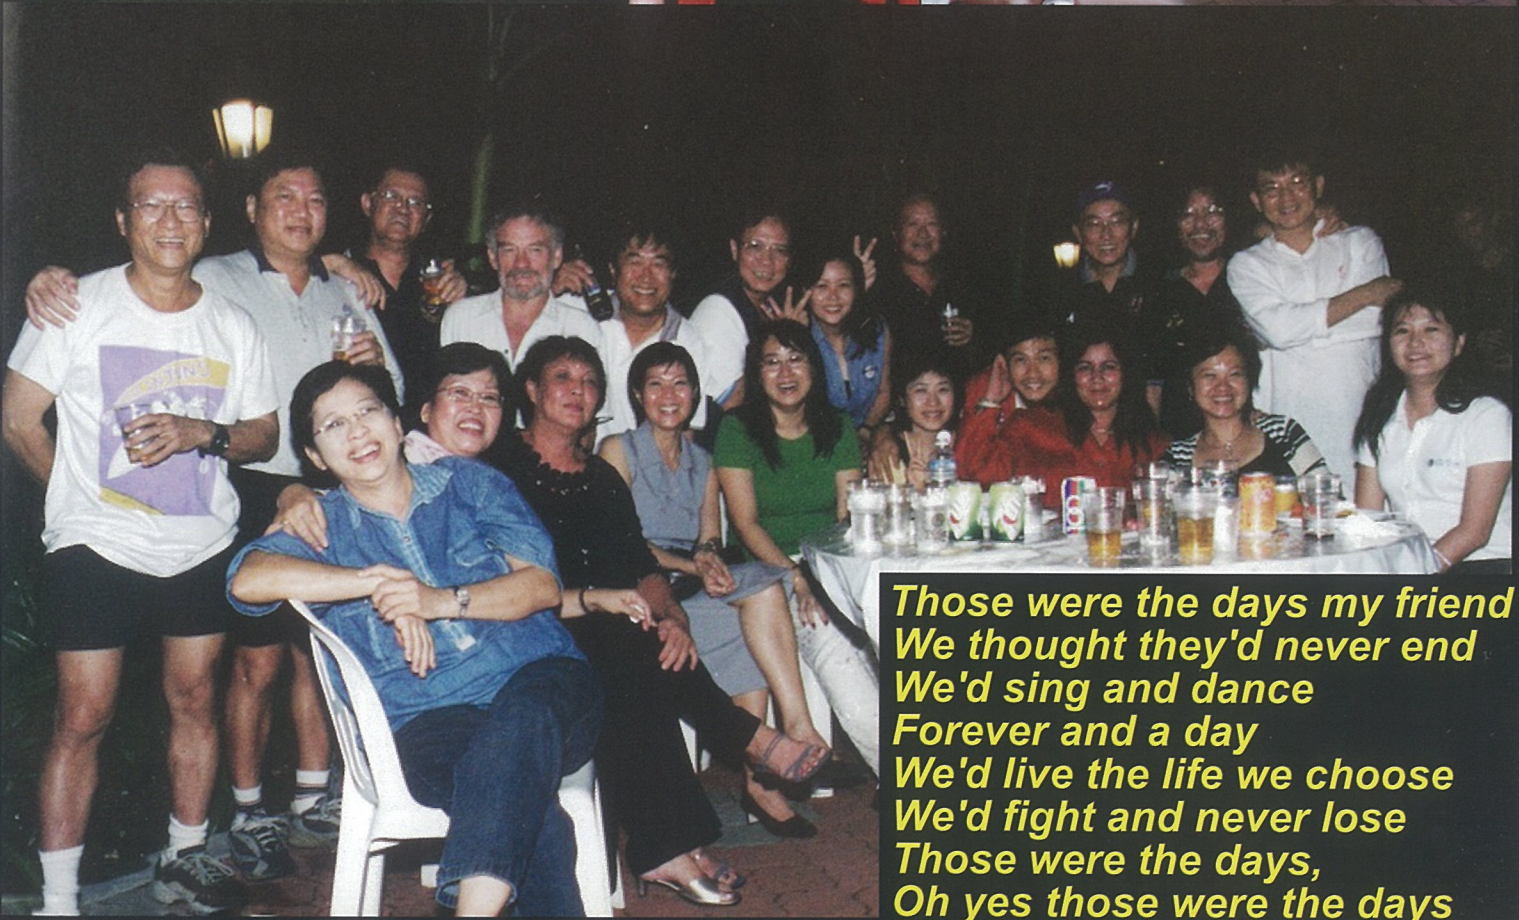

Once upon a time there was a tavern
Where we used to raise a glass or two
Remember how we laughed away the hours
And dreamed of all the great things we could do

Road Run on the 2nd Link to JB

Those were The Days

Those were the days my friend
We thought they'd never end
We'd sing and dance
Forever and a day
We'd live the life we choose
We'd fight and never lose
Those were the days,
Oh yes those were the days

Then the busy years went rushing by us
 We lost our starry notions on the way
 If by chance I'd see you in the tavern
 We'd smile at one another and we'd say

When you can strike JACKPOT at taverns and pubs

When you can also strike JACKPOT in Geylang

When you don't need handphones to make a call (phone booth)

Those were The Days

Those were the days my friend,
 We thought they'd never end
 We'd sing and dance, Forever and a day
 We'd live the life we choose
 We'd fight and never lose
 Those were the days, Oh yes those were the days

*Through the door there came familiar laughter
I saw your face and heard you call my name
Oh my friend we're older but no wiser
For in our hearts the dreams are still the same*

Need a good run once a week
Come on Tuesday, if you are fit
Will it be long, will it be hard ?
Here is what we said, will be

***Kiss My Arse, My Arse
Whatever will be, will be
When hashing with Seletar
Kiss My Arse, My Arse***

Always complaining about our runs
You bunch of pussies, second to none
Will it be hash shit, or will it be not ?
Here is what we said, will be

***F#%k the Whip, the Whip
Whatever will be, will be
You're hashing with Seletar

BANANA BOAT SONG

OnOn OnOn

We like to run and we wanna get drunk
On, Me say On, me say On, Me say On On On
We like to run and we wanna get drunk

Wait all week to go for our run

We like to run and we wanna get drunk
F#%k da whip till di morning come
We like to run and we wanna get drunk
Come Mr. Chinaman show me your banana
Bahi cum, he wanna have fun
Come Mr. Chinaman show me your banana
Bhai cum, he wanna have fun

Drink 6 beers, 7 beers, 8 beers Down !

We like to run and we wanna get drunk
6 beers, 7 beers, 8 beers Down !
We like to run and we wanna get drunk

(REPEAT ALL TILL KINGDOM CUM !)

LIMBO ROCK

Early morning six o'clock
I wake up and shake my cork
The more I shake the more I shiok
The more I shiok the more I shake
(Repeat in a higher more desperate pitch !)

IF YOU'RE HAPPY AND YOU KNOW IT

If your boyfriend taste like shit,
Turn him over (***REPEAT***)
If your boyfriend taste like shit
It's his arsehole, not his dick
If your boyfriend taste like shit
Turn him over

SEASONS (F#%KING) IN THE SUN

Every Tuesday we have fun
Littering NParks on our runs
Paper, flour thrown everywhere
Shouting On On, here and there
Who comes last, we don't care

***We have joy, we have fun
We love f#%king on our run
All the hills that we climb
Brings back memories all the time***

In every Circle there's a Whip
He talks big 'cause he holds a stick
Makes up tales along the way
Sit on Ice, have no say
Served a drink, but have to pay

***We have joy, we have fun
We love f#%king on our run
Till the beer and the song
Like the seasons have all gone***

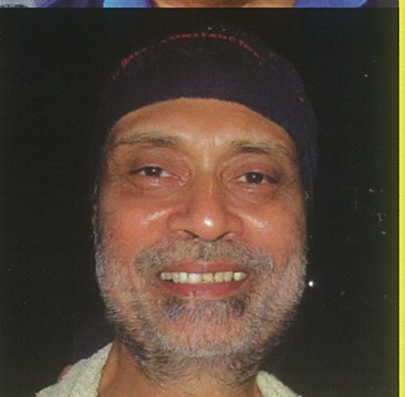

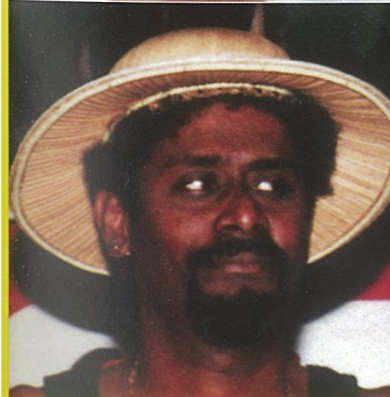

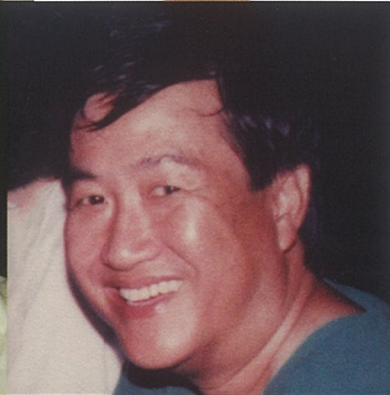

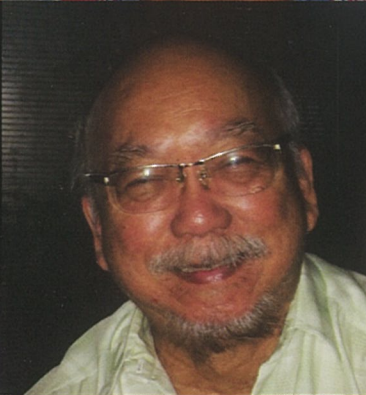

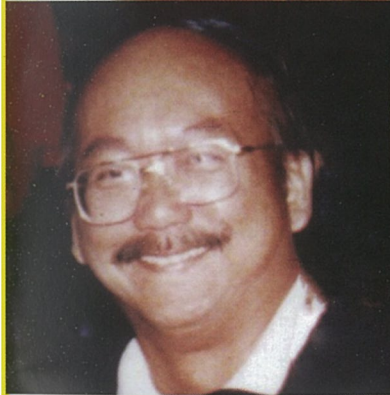

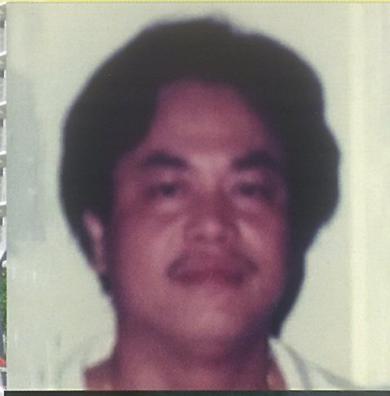

The problem is that the IQ of our members are too low to remember the lyrics and we keep singing only the banned '7 Bhais' song.
