

LAST NIGHT I STAYED IN BED

Last night I laid in bed and masturbated
It felt so good, I knew it would.

Last night I stayed in bed and masturbated
It felt so nice, I did it twice.

First I gave it short stroke
Just tickle the crown, just tickle the crown

Then I gave it long stroke
Straight up and down, straight up and down

Smashed it, Bashed it, Crashed it on the floor
Rammed it, Crammed it, Slammed it on the door

Some people say that sexual intercourse is absolutely
grand
But speaking for myself I rather use my fucking hand.

ARSEHOLES ARE CHEAP TONIGHT

Arseholes are cheap tonight,
cheaper than other nights

Small boy's one are half a crown,
standing up and bending down.

Big ones for bigger pricks,
Biggest ones cost three and six.

Get yours before they're gone,
come now and try one.

Arseholes are cheap tonight,
Cheaper than other nights.
